Each shareholder that, as provided for above, is entitled to attend the Meeting shall be provided with a personal attendance, proxy or remote voting card, as applicable, which will show the number of shares owned by him and the relevant number of votes, at the rate of one vote per share. The card will be issued by the member institutions of Management Company of the Securities Registration, Clearing and Settlement Systems ("*Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores (IBERCLEAR)*"), by the Company itself, upon verification of the share ownership, or by IBERCLEAR. In its absence this card may only be replaced by the corresponding legitimization certificate evidencing fulfilment of the attendance requirements or by any other means admitted by law.

In order to confirm the identity of the shareholders, or their legal representative, attendees may be asked to show their attendance card, documentation confirming their representative's status (if necessary), and their National Identity Card or any other official document generally accepted for these purposes, at the entrance to the venue where the General Shareholders Meeting is taking place.

RIGHT OF REPRESENTATION

Any shareholder entitled to attend the General Meeting may be represented at it by another person, who does not need to be a shareholder. Those shareholders not reaching the minimum number of shares required to attend the Meeting, may at any time delegate the representation of their shares to a shareholder entitled to attend the Meeting, as well as form a pool with other shareholders in the same situation, until reaching the minimum number of shares required, in which case they shall grant the representation to one of them.

Proxy through remote communication means

- By post

The shareholder may grant his representation by post, sending to the Company's registered office at calle Salvador de Madariaga, 1, 28027 Madrid, - Departamento de Relaciones con los Inversores (IR Department) - the attendance card issued by the entity in charge of the register of book entries, duly signed and completed by the shareholder. Legal persons granting their representation to another shareholder by this means shall enclose a notarial certificate of the powers of attorney of the proxy holder signing the attendance card or evidence their powers of attorney by any other means admitted under law.

- Electronic means

Natural persons may grant their representation as provided for on the Company's corporate website - [www.corporate.amadeus.com/ Información para Inversores/ Junta General de Accionistas/Servicio Electrónico](http://www.corporate.amadeus.com/Información%20para%20Inversores/Junta%20General%20de%20Accionistas/Servicio%20Electrónico) (Information for Investors/AGM/Electronic Service)-, following the instructions given to that effect, by using the electronic signature (User Electronic Certificate issued by Fábrica Nacional de Moneda y Timbre) or electronic National Identity card.

- Common provisions for remote communication means

Proxies are always revocable. As a general rule, the last action performed by the shareholder prior to the holding of the Meeting shall be considered as valid. In any case, the personal attendance at the Meeting of the person represented shall be considered as a revocation of the proxy.

In order to be considered as valid, a proxy granted by post or by electronic means must be received by the IR Department, as resolved by the Company's Board of Directors, by 11:00 a.m. on 19 June 2018. Those received after this deadline shall be considered as not granted.

The documents recording proxies for the General Meeting shall contain, at least, the following details:

- (a) Date of holding of the General Shareholders' Meeting and Agenda.
- (b) Identity of the person represented and of the proxy holder. If not specified, the proxy shall be understood as granted in favour of the Chairman of the Board of Directors, or the CEO or the Secretary of the Board of Directors. In case of conflict of interest, the proxy shall be deemed granted to the person who does not incur in such conflict.
- (c) Number of shares owned by the shareholder granting the proxy.
- (d) Instructions on the direction of the vote of the shareholder granting the representation, for each one of the items in the Agenda. Notwithstanding the above, if the proxy has been validly granted in accordance with the applicable legal provisions and pursuant to the Regulations of the General Shareholders Meeting, but there are no voting instructions or doubts arise concerning the recipient or scope of the proxy, it shall be understood, unless otherwise expressly indicated by the shareholder, that (i) the proxy is made in

accordance with letter (b) above; (ii) it refers to all the items on the Agenda included in the notice of call of the General Meeting; (iii) the shareholder wishes to vote in favour of all the proposals put by the Board of Directors regarding the items on the Agenda included in the notice of call; and (iv) regarding resolutions on any items not on the Agenda included in the notice of call, it shall be understood that authorization is given for such items to be discussed at the General Shareholders' Meeting, provided that this is admissible by law, and that the proxy will vote as it deems most favourable in the interest of its principal.

For the proxy to be valid, the proxy holder shall accept the representation by personally attending the Meeting, unless he expressly states his will otherwise at the Meeting itself, in which case the representation shall be considered as revoked.

The Chairman of the General Shareholders' Meeting is authorised to establish the validity of the proxies granted and the fulfilment of the requirements to attend the Meeting, and he may delegate this function to the Secretary. This notwithstanding, the validity of a proxy granted by remote communication means is subject to verification of the details provided by the shareholder against the file HTITU02 provided by IBERCLEAR. In the event of discrepancy between the number of shares notified by the shareholder granting the proxy and the said file, the latter will prevail.

The proxy granted by any remote communication means may be rendered ineffective by the shareholder's express revocation, made by the same means or by the grantor shareholder attending the meeting.

In the event that an application for a public proxy is made in accordance with the provisions of article 186 of the Spanish Capital Companies Act, the rules contained in the Spanish Capital Companies Act and its implementing regulations shall apply. In particular, the document evidencing the proxy shall contain, in addition to the details stated in the preceding paragraphs, the instructions on the direction of the proxy holder's vote in the case that no specific instructions are given. Furthermore, the Director obtaining the proxy may not exercise the voting rights corresponding to the shares for which the proxy is granted regarding those points of the Agenda in respect of which there is a conflict of interests, unless it has received precise voting instructions from the principal for each of those points, it being considered, to that effect, that instructions exist in the case indicated in paragraph d) above, in accordance with the provisions of article 526 of the Spanish Capital Companies Act.

The power of representation is understood without prejudice to the provisions of the Act for cases of family representation and the granting of general powers of attorney.

Before being appointed, the proxy must advise the shareholder in detail as to whether a conflict of interest exists, in accordance with article 523 of the Spanish Capital Companies Act. If a conflict arises subsequent to the appointment and the shareholder conferring the proxy has not been advised of its possible existence, it must be advised immediately. In both cases, if new instructions necessary for each of the matters in respect of which the proxy is to vote on behalf of the shareholder have not been received, the proxy must refrain from casting a vote.

In accordance with article 524 of the Capital Companies Act, intermediate entities that have status as shareholders, by virtue of book entries, but which act on behalf of multiple persons may, in any event, divide votes and cast them in different directions, in compliance with differing voting instructions, if they have received them. These intermediary entities may grant proxies to each of the indirect holders or the third parties designated by them, with no limitation on the number of proxies granted.

It is noted that in case the proxy is granted to the Chairman or to any member of the Board of Directors, any of them may be in conflict of interest in relation to the proposal of resolutions not contemplated in the Agenda when referring to their revocation as Director or their accountability. Such conflict of interest can be extended to the third, seventh, eighth, ninth, tenth and eleventh item of the Agenda.

SUPPLEMENT TO THE CALL NOTICE AND RIGHT OF INFORMATION

Shareholders representing at least three per cent of the share capital may demand the publication of a supplement to the call notice of the current Meeting, including one or more items on the Agenda, provided that the new points are accompanied by a justification or, if applicable, a justified proposed resolution, as well as present supported proposed resolutions regarding matters already included or that should be included on the Agenda for the meeting called. Also, during the holding of the General Meeting, the shareholders may request in writing or orally from the Directors the information or clarifications or formulate in writing the questions that they deem necessary regarding the information accessible to the public that has been provided by the Company to the National Securities Market Commission since the last General Meeting was held and regarding the audit report.
