TERMS AND CONDITIONS

Performance Share Plan (PSP)

- Description:

The PSP is designed as the key long-term incentive tool for management. It consists of the award to the chosen beneficiaries, upon fulfillment of the necessary requirements established in the Plan, of a certain number of shares in Amadeus IT Group S.A., as variable remuneration.

- Beneficiaries:

The beneficiaries of the PSP will be the senior leaders of the Amadeus Group, including executive Director(s) and members of the Executive Committee.

The Board of Directors may include new beneficiaries in the Plan, without it entailing an increase in the total number of shares approved in this resolution.

Non-executive Directors will not be eligible to participate in the PSP.

- Duration:

The PSP comprises three independent three-year cycles, with a new cycle commencing every year. The first cycle of the Plan will commence in 2019, foreseeably in May.

- Requirements and conditions for the share award:

In order for a participant in the PSP to be entitled to receive shares in Amadeus IT Group, S.A. at the end of a certain PSP cycle, the following requirements, which will be defined at the beginning of the relevant cycle, must be met:

(a) the beneficiary must continue to be employed by any Amadeus Group company on the end date of the cycle, without prejudice to certain exceptions for the cases of termination of the employment relationship expressly provided for in the PSP regulations; and

(b) the Amadeus Group must meet specific performance objectives, to be set by the Board of Directors, linked to certain financial metrics, measured in absolute and/or relative terms, which may be internal (such as Earnings per Share and Operating Cash Flow) or external (such as the Total Shareholder Return performance of the Company with respect to a group of reference entities).

The grant of the 2019 cycle of the Performance Share Plan will be made in line with the Company's remuneration policy submitted for approval as item number 9 of the present General Shareholders' Meeting. The extent to which the award will vest in 2022 will depend on the following performance conditions:

- Growth in Adjusted Earnings per Share (EPS), with a 50% weighting:
Adjusted EPS, defined as the adjusted net income divided by adjusted weighted average shares outstanding during the year, shall be measured between January 1, 2019 and December 31, 2021. The growth shall be determined on a compound annual basis.
- Growth in pre-tax Operating Cash Flow (OCF), with a 30% weighting:
Pre-tax OCF, defined as the EBITDA net of capital expenditure and changes in working capital, as officially reported by Amadeus, shall be measured between January 1, 2019 and December 31, 2021. The growth shall be determined on a compound annual basis.
- Total Shareholder Return (TSR) performance relative to a comparator group, with a 20% weighting:
The TSR comparator group will consist of around 66 companies predominantly drawn from the Eurofirst 300 index with operations in similar sectors to Amadeus (travel and leisure, media, technology and telecommunications), as well as companies from the expanded IPO comparator group; as well as Sabre and Travelport.

The TSR is the difference between the initial and ending value of an investment in each of the companies of the comparator group. Gross dividends and other similar items are assumed to be reinvested by purchasing more shares of the entity at the closing price on the ex- dividend date.

In order to determine the beginning value, the TSR of each company in the comparator group and of Amadeus will be calculated taking into account the average closing price of the shares in the 20 stock exchange sessions prior to and not including the first day of the performance measurement period (i.e. April 29, 2019). In order to determine the ending value, the TSR will be calculated taking into account the average closing price of the shares in the 20 stock exchange sessions prior to and including the last day of the performance measurement period (i.e. April 28, 2022).

The Relative TSR is the result of comparing the TSR of Amadeus to the TSR of the comparator companies. For this purpose, the comparator companies including Amadeus will be ordered descending by TSR in percentage terms.

The TSR payout scale is shown below:

- Threshold: If Amadeus is ranked at the 50th percentile, the payout will be 50% of target. If Amadeus is ranked below the 50th percentile, the payout will be 0%.
- Maximum: If Amadeus is ranked at the 75th percentile or above, the payout will be 200% of target.
- The payout between threshold and maximum will be determined by linear interpolation.

For the 2020 and 2021 cycles, the Board retains the discretion to review the performance measures, weightings, targets and comparator groups (if applicable) to ensure continued alignment with the Company’s strategy.

- Maximum individual award:

The CEO (hereinafter, “executive Director”) will be included among the beneficiaries of the PSP. In case of fulfilling all the requirements and conditions for the share award established in the Plan, he would have the right to receive the following amount of shares at maximum as outlined below:

- The maximum number of shares that the executive Director could have the right to receive in under each cycle of the PSP, if the maximum level of performance is met or exceeded for all objectives, is equivalent to two (2) times his base salary at the beginning of each cycle, divided by the Reference Share Price (as determined in the section “Other relevant issues”).

- Exceptionally, and as foreseen in the Remuneration Policy submitted for approval as item number 9 of the present General Shareholders' Meeting, the Board of Directors may increase the maximum amount of shares to up to four (4) times his base salary in exceptional circumstances that may include, but not limited to, retention or exceptional Company performance or significantly altered market conditions. If applied, the reason for any such increases would be disclosed in the Annual Report on Directors' Remuneration for the relevant year.

- Share award date:

The shares will be delivered in the three months following the date on which the right to receive them arises. The shares will be awarded by the Company or, where appropriate, by a subsidiary thereof.

- Holding Requirements:

The shares delivered under the PSP will be freely transferable, except for members of the Executive Committee (executive Director -CEO- included) who will have to hold all the net vested shares (after tax and social security levies) for a minimum period of two years after the end date of each cycle.

Restricted Share Plan (RSP)

- Description:

The beneficiaries of this Plan may include any Amadeus Group employee, except for members of the Executive Committee and second-tier senior management, unless exceptional circumstances arise which make it necessary to include them in order to attract or retain talent.

Members of the Board of Directors cannot participate in the Restricted Share Plan.

- Duration:

The initial allocation of Restricted Share Units under the RSP may take place in 2019, 2020 and 2021. Grants will be made no more than four times per year.

The award of the shares will be conditional on the beneficiary remaining employed by the Company or a Group subsidiary throughout the vesting period established in each case. The vesting period will have a duration of between a minimum of three (3) and a maximum of five (5) years. Exceptionally, in case of new employees, the minimum vesting period could be reduced to two (2) years.

- Requirements and conditions for the award of shares:

In order for each beneficiary of this Plan to be entitled to receive shares in Amadeus IT Group, S.A. under the RSP, he or she must continue to be employed by one of the Amadeus Group companies during the vesting period and, in exceptional cases, meet the performance targets that may have been established for a specific award.

- Maximum individual award:

The maximum number of shares to be granted to an individual will be equivalent to 50% of his/her gross base salary multiplied by the number of years of duration of the vesting period, divided by the Reference Share Price. In case the award is split into two or more tranches of different duration each, the weighted average duration of the vesting period will be taken into account in order to determine the maximum award.

- Share award date:

The shares will be delivered in the three months following the date on which the right to receive them is generated, after the end of any vesting period established in each case. The shares will be awarded by the Company or, where appropriate, by a subsidiary thereof.

To authorize the Board of Directors of the Company to carry out derivative purchases of the Company's shares, both directly by the Company itself and indirectly by its subsidiaries, in the following terms:

(a) Acquisition mode: the purchase can be made as a sale and purchase, exchange (*permuta*), payment in kind (*dación en pago*) or by any other means permitted by law, on one or more occasions,

(b) Maximum number of shares: the nominal value of the number of shares to be acquired, aggregated with those already belonging to the Company and to any company of the Group, cannot exceed ten per cent (10%) of the share capital;

(c) Minimum and maximum price: the minimum acquisition price of the shares will be equivalent to 80% of the trading value of the share in the Stock Market in the acquisition date, and the maximum acquisition price will be

equivalent to 120% of the trading value of the share in the Stock Market on the same date.

- (d) Authorization term: will remain in force during a period of five years from the date of this resolution.

Likewise, and for the purposes contemplated in the second paragraph of letter a) of number 1 of article 146 of the Spanish Capital Companies Act (Ley de Sociedades de Capital), it is hereby agreed to grant an express authorization for the purchase of the shares of the Company by any of its subsidiaries in the same terms resulting from this resolution.

It is expressly stated that shares may be acquired pursuant to this authorization both in order to transfer or cancel them, and in order to apply them for the remuneration systems contemplated in the third paragraph of letter a) of number 1 of article 146 of the Spanish Capital Companies Act (*Ley de Sociedades de Capital*), or to hedge any remuneration system to be settled in shares or linked to share capital.

Likewise, to approve the revocation of the authorization to acquire treasury stock, granted to the Board of Directors by the General Shareholders' Meeting held on June 20, 2013, for the remaining shares not acquired under such authorization.

13. Delegation to the Board of Directors of the power to issue bonds, debentures and other fixed-income securities, simple, exchangeable or convertible into shares, warrants, promissory notes and preferred securities, empowering the Board to exclude, if applicable, the preemptive subscription right pursuant to article 511 of the Spanish Capital Companies Act, and authorisation for the Company to be able to secure the issuance of these securities made by its subsidiary companies. Leaving without effect the unused part of the delegation granted by the General Shareholders' Meeting of 25 June 2015.

It is resolved to delegate to the Board of Directors, pursuant to the general regime on the issuance of debentures and in particular pursuant to the provisions of articles 406, 414, 417 and 511 of the Spanish Capital Companies Act, of article 319 of the Mercantile Registry Regulations and of article 14 of the Bylaws, as well as by the analogical application of article 297.1.b) of the Spanish Capital Companies Act, the power to issue negotiable securities in accordance with the following terms:

A) Securities included in the issue

The negotiable securities referred to in this delegation may be debentures, bonds and other fixed-income securities or debt instruments of an analogous nature, both simple and exchangeable for shares in the Company, in any other company, whether or not belonging to its Group, and/or convertible into shares of the Company. This delegation may also be used for the issuance of promissory notes, preferred securities (should this be legally admissible) and warrants (options to subscribe new shares or to buy old shares in the Company).

B) Term of validity of the delegation

The issuance of the securities subject to this delegation may be carried out on one or several occasions from the date of adoption of this resolution and during the course of five years from the date of this resolution.

C) Maximum amount of the delegation

The total maximum nominal amount of the issue or issues of securities agreed to pursuant to this delegation will be FIVE THOUSAND MILLION EUROS (5,000,000,000 Euros) or its equivalent in another currency. This total maximum nominal amount will be deemed to be the total maximum limit that the sum of the nominal value of the issue or issues of securities, outstanding and in circulation from time to time, may reach pursuant to this delegation. Likewise, in the case of the warrants, to the effects of calculating the above mentioned limit, account shall be taken of the sum of premiums and exercise price of the warrants of each issue that is approved pursuant to this delegation.

D) Extent of the delegation

The delegation to issue securities referred to in this resolution will extend, as broadly as may be required under Law, to the determination of the different aspects and conditions of each issue (nominal value, type of issue, redemption price, in the case of warrants, premiums and exercise price, currency of the issue, interest rate, repayment, anti-dilution mechanisms, subordination clauses, collateral of the issue, place of issue, listing on the official or unofficial secondary markets, organized or not, domestic or foreign, etc.) and to the performance of such arrangements as may be necessary, including those pursuant to the applicable securities market regulations, for the execution of the specific issues that it may be agreed to carry out pursuant to this delegation.

In this same regard, it is resolved to delegate authority to the Board of Directors, in the event of the subsequent application for exclusion from trading of the securities issued by the Company pursuant to this authorization, to perform all such formalities or steps as may be appropriate, safeguarding the interest of any shareholders or debenture holders who opposed or did not vote for the resolution on the terms provided for in the legislation in force.

This delegation of authority also includes the conferral on the Board of Directors of the power, in each case, to decide on the conditions for redemption of the securities issued under this authorization, being able to use, to the extent applicable, the means of redemption referred to in article 430 of the Capital Companies Law or any others that may be applicable. The Board of Directors is also authorized, where it sees fit, subject to the obtainment of the necessary official authorizations and, as the case may be, of approval from the assemblies of the corresponding syndicates or bodies representing the holders of the securities, to modify the conditions of the issued securities and their respective terms as well as the rate of any interest that may be accrued on the securities in each of the issues made under the scope of this authorization.

E) Bases and modes of conversion and/or exchange

For the case of the issue of convertible and/or exchangeable debentures or bonds, and to the effects of determining the bases and modes of the conversion and/or exchange, it is resolved to lay down the following criteria:

- (a) the conversion and/or exchange ratio shall be fixed, and to those effects the fixed-income securities shall be valued for their nominal value and the shares at the fixed price determined in the Board of Directors' resolution, or at the price to be determined on the date or dates stated in the Board of Directors' resolution, and according to the Market trading price of the Company's shares on the date/s or period/s that are taken as reference in the said resolution. In any case, the price of the shares may not be lower than the highest of (i) the arithmetical mean of the closing prices of the Company's shares in the Spanish *Sistema de Interconexión Bursátil* (SIBE or Continuous Market) during the period to be determined by the Board of Directors, not being longer than three months or shorter than fifteen days, prior to the date of the meeting of the Board of Directors that, using this delegation, approves the issuance of the debentures or bonds, and (ii) the closing price of the shares in the Spanish *Sistema de Interconexión Bursátil* (SIBE or Continuous Market) of the day prior to the date of the meeting of the Board of Directors that, using this delegation, approves the issuance of the debentures or bonds;
- (b) under no circumstance may convertible and/or exchangeable debentures be issued for a figure lower than their nominal value. Likewise, in accordance with the provisions of article 415.2 of the Spanish Capital Companies Act, debentures may not be converted into shares when the nominal value of the former is lower than the nominal value of the latter;
- (c) at the time of the conversion and/or exchange, the share fractions that, if applicable, are to be delivered to the debenture or bond holder will be rounded, by default, down to the next whole number, and each holder will receive in cash the difference that may arise in that case; and
- (d) when approving an issue of convertible and/or exchangeable debentures or bonds pursuant to the power contained in this resolution, the Board of Directors shall issue a report developing and specifying, on the bases of the above mentioned criteria, the bases and modes of the conversion to apply specifically to the said issue. This report shall be accompanied by the corresponding report from the account auditors as referred to in article 414 of the Spanish Capital Companies Act.

F) Bases and modes of exercise of the warrants

In the case of issues of warrants, which by analogy will be subject to the provisions of the Spanish Capital Companies Act on convertible and/or exchangeable debentures, it is resolved to establish the following criteria to determine the bases and modes of their exercise:

- (a) warrants issued pursuant to this resolution will entitle to subscribe new shares in the Company and/or buy outstanding shares of the Company, or a combination of both. In any case, the Company may reserve the right to choose, at the time of exercising the warrant, between delivering new shares, current shares or a combination of both;
- (b) the period for the exercise of the warrants shall be determined by the Board of Directors and may not exceed ten (10) years counted from the date of the issue;
- (c) the exercise price of the warrants may be fixed or variable, depending – in the latter case – on the date/s or period/s that are taken as reference. The price shall be determined by the Board of Directors at the time of the issue or may be determined at a later time pursuant to the criteria established in the resolution itself. In any case, the price of the share to be taken into account may not be lower than the highest of (i) the arithmetical mean of the closing prices of the Company's shares in the Spanish *Sistema de Interconexión Bursátil* (SIBE or Continuous Market) during the period to be determined by the Board of Directors, with this not being longer than three months or shorter than fifteen days, prior to the date of the meeting of the Board of Directors that, using this delegation, approves the issuance of the warrants, and (ii) the closing price of the shares in the Spanish *Sistema de Interconexión Bursátil* (SIBE or Continuous Market) of the day prior to the date of the meeting of the Board of Directors that, using this delegation, approves the issuance of the warrants;
- (d) when warrants are issued at a simple exchange ratio or at par – namely, one share per warrant – the sum of the premium or premiums paid for each warrant and its exercise price may not be, in any case, lower than the trading price of the Company's share as considered at that time pursuant to the provisions of the preceding paragraph, nor lower than its nominal value. In the case of warrants with multiple exchange ratios – namely, other than one share per warrant – the sum of the premium or premiums paid for all the warrants issued and their aggregate exercise price may not be, in any case, lower than the result of multiplying the number of shares underlying all the warrants issued by the trading price of the Company's share as considered at that time pursuant to the provisions of the preceding paragraph, nor lower than the nominal value; and
- (e) when approving an issue of warrants pursuant to this power, the Board of Directors shall issue a report developing and specifying, on the bases of the above mentioned criteria, the bases and modes of the exercise to apply specifically to the said issue. By analogous application of article 414 of the Spanish Capital Companies Act, this report shall be accompanied by the corresponding report from the account auditors as referred to in the said article.

G) Rights of the holders of convertible and/or exchangeable securities

During the period in which it is possible to effect the conversion and/or exchange into shares of the convertible and/or exchangeable debentures or bonds and of the warrants issued pursuant to this delegation, their holders will have all such rights as acknowledged to them by the legislation in force.

H) Capital increase

The delegation for the issuance of convertible and/or exchangeable debentures or bonds and warrants over newly issued shares shall include:

- (a) the power to increase the capital in the necessary amount to meet the applications for conversion or exchange or the exercise of the warrants over newly issued shares. The said power may only be exercised to the extent that the Board of Directors, adding together the capital increased to meet the issue of convertible or exchangeable debentures or bonds or the exercise of warrants and other capital increases it may have agreed pursuant to powers granted by the Meeting, does not, in respect of the nominal amount, surpass the limit of twenty per cent (20%) of the share capital figure provided for in article 297.1.b) of the Spanish Capital Companies Act, as resulting upon completion of the capital decrease transaction agreed upon at this general meeting;
- (b) the power to develop and specify the bases and modes of the conversion and/or exchange or of exercise that are established in the preceding paragraphs and, in particular, power to determine the time of the conversion and/or exchange or of exercise of the warrants, which may be limited to a predetermined period, the title to the right of conversion and/or exchange or of exercise, which may be attributed to the Company or to the debenture holders or to the warrant holders, the way of satisfying the debenture holder or warrant holder (by conversion, exchange or even a combination of both techniques, which may be left to choice for the time of the execution or even establishing the necessarily convertible nature of the debentures subject to the issue) and, generally, such terms and conditions as may be necessary or expedient for the issue.
- I) Exclusion of the preemptive subscription right in convertible and/or exchangeable securities

The Board of Directors, when issuing convertible and/or exchangeable debentures or bonds or warrants over newly subscribed shares pursuant to this delegation, shall be also authorised to exclude the preemptive subscription right of the shareholders when required by the corporate interest, pursuant to the provisions of article 511 of the Spanish Capital Companies Act. In any case, if the Board of Directors decided to exclude the preemptive subscription right in relation to a specific issue of convertible debentures or bonds or of warrants over newly subscribed shares that it may decide to carry out pursuant to this authority, it will issue, when approving the issue, a report that shall be the subject of the

correlative account auditor report, all of which in accordance with the provisions of article 511 of the Spanish Capital Companies Act.

Likewise, and to the extent legally admissible at the time when it is intended to carry out a specific issue of convertible bonds or debentures or warrants over newly issued shares with exclusion of the preemptive subscription right, the Company's administration body may agree that priority be given in the allocation of convertible bonds or debentures or warrants over shares, with a preferential nature over any other investors, to those shareholders stating their irrevocable intention of subscribing to convertible bonds or debentures or warrants in the said issue pro rata to their shareholding in the Company, provided that (i) it is advisable in the corporate interest and (ii) the procedure to raise financial resources or to place the new shares is compatible with the participation of the Company's shareholders in it.

J) Collateral for issues of fixed-income securities

The Board of Directors is likewise authorised to guarantee, on the Company's behalf and within the above mentioned limits, the issues of bonds, debentures and other fixed-income securities, simple, exchangeable and/or convertible into shares, warrants, promissory notes and preferred securities made by companies belonging to the Company's group of companies.

K) Listing of issued securities

The Company may apply for the listing on secondary markets, whether official or not, organised or not, domestic or foreign, of the debentures, bonds, warrants, preferred securities and other securities to be issued by the Company pursuant to this delegation, authorising the Board of Directors to carry out the necessary arrangements and actions for listing vis-à-vis the relevant bodies of the various domestic or foreign securities markets.

L) Substitution power

The Board of Directors is authorised (pursuant to the provisions of article 249 bis of the Spanish Capital Companies Act) to delegate, in turn, in favour of any of its members (including the Secretary and Vice Secretary) the delegated powers referred to in this resolution.

M) Revocation

This authorisation revokes, replaces and leaves without effect, in the amount not used, the authorisation granted to the Board of Directors for the same purpose resolved by the General Shareholders' Meeting and Extraordinary Shareholders' Meeting held on 25 June 2015.

14.- Delegation of powers to the Board of Directors, with power of substitution, for the full formalisation, interpretation, remedy and implementation of the resolutions to be adopted by the General Shareholders' Meeting.

Without prejudice to the powers laid down by Law and by the Bylaws, it is resolved to delegate, as broadly as may be required under law, to any Director, the Secretary and the Vice Secretary, acting individually, the implementation of each and every one of the resolutions adopted at this General Shareholders' Meeting, with powers to interpret, remedy and complete them for their conversion to public deed, as well as, if applicable, to obtain their filing with the Commercial Registry, with the power to substitute the said delegation as they may consider fit in favour of any other Director or member of the Company's Management.

The Board of Directors' Secretary and Vice Secretary are authorised in order that any of them, acting individually or jointly, may proceed to file the accounts of the Company and of its consolidated group corresponding to the financial year closed as of 31 December 2017 (as referred to by article 279 of the Spanish Capital Companies Act), explicitly authorising them to sign and execute any type of document, with authority to remedy, until achieving the effective filing of the accounts with the Commercial Registry.

The Board of Directors' Secretary and Vice Secretary are likewise authorised in order that, any of them, acting individually or jointly, may proceed to effect all such communications, notices and relevant arrangements as may be necessary vis-à-vis the Spanish Stock Exchange Commission (Comisión Nacional del Mercado de Valores) complying with the legislation in force, the Sociedades Rectoras of the Madrid, Barcelona, Bilbao and Valencia Stock Exchanges as well as any other entities or organisations required for implementation of the resolutions of this Meeting.
