Proposal from the Nominations and Remuneration Committee on the appointment and renewal of the Independent Directors

Article 529 decies of the Spanish Capital Companies Act requires that the Nominations and Remuneration Committee submit a proposal for the renewal of Independent Directors.

The proposal from the Nominations and Remuneration Committee will be followed by a justification report from the Board of Directors in which the capability, experience and merits of the Independent Directors are described. The report will become part of an Annex to the Minutes of the General Assembly of Shareholders or to the Minutes of the Board of Directors.

Committee's criteria as per the Director Selection Policy

Please, refer to the Report issued by this Committee on April 10, 2019, on Board of Directors' future requirements and needs, which is the base for the current proposal on the appointment and renewal of independent Directors.

Renewal and appointment of Independent Directors

For these purposes and in accordance with the Director Selection Policy, the Committee has taken into consideration the criteria that the candidates must meet:

- The financial skills required for a proper understanding of the Company's activities and associated risks;
- The ability and the willingness to make the necessary time commitment to effectively fulfil the role, including taking steps to develop a strong understanding of the business, preparing fully for Board and Committee meetings and exercising best efforts to attend all meetings in person;
- The ability to challenge management on strategy and contribute to strategy development;
- The ability to engage in debates in a constructive manner and challenge robustly;

In addition, the Committee has also taken into consideration the following factors for the analysis of the Board's needs:

- The current strategy for the business;
- The size of the Board;

- The current board composition, in particular the industry sector, functional and geographic experience of Directors;
- The diversity of the Board, in particular, but not restricted to, gender diversity;
- Progressive Board renewal.

1. Renewal proposal

Once reviewed the personal and professional profile of the candidates and following the internal debate of the members of the Committee, in consultation with the Chairman of the Board of Directors, taking as well into account the principles of the Director Selection Policy, the Nominations and Remuneration Committee submits the following proposal to the Board of Directors for endorsement and subsequent approval from the General Shareholders' Meeting:

- To re-elect, as Independent Director, for an additional one year term, **Mr. José Antonio Tazón García.**
- To re-elect, as Independent Director, for an additional one year term, **Mr. Guillermo de la Dehesa Romero.**
- To re-elect, as Independent Director, for an additional one year term, **Dame Clara Furse.**
- To re-elect, as Independent Director, for an additional one year term, **Mr. David Webster.**

2. Appointment proposal

The Board of Directors is aware of the needs for the progressive renewal of its members and agreed to put in place, through the Nominations and Remuneration Committee, a renewal and succession plan.

The renewal process was initiated in 2017 with the appointment of Mr. Nicolas Huss and Mrs. Pilar García, subsequently followed by the appointment of Mr. Stephan Gemkow and Mr. Peter Kuerpick in 2018, all of them independent Directors.

The process will continue in 2019 and the appointment of two new Directors will be submitted for resolution by the Shareholders' Meeting, with the particularity that these two new members will cover new seats at the Board, through the increase of the number of seats from the current eleven to thirteen.

The increase of the number of seats, on a transitory basis, will allow the incoming Directors to work together with those Directors who have been members for some years now and whose experience and knowledge of the business is a great asset, not only for the Company but also for its shareholders.

The Nominations and Remuneration Committee, with the assistance of the external advisor Russell Reynolds, initiated a selection process, taking into consideration the Board of Directors' requirements and needs.

After the identification of potential candidates and the selection of a short list*, an interview process was followed, led by a member of the Nominations and Remuneration Committee, Mr. Loredan, (who was specifically appointed for this task), in collaboration with the Chairman of the Board. It concluded with the presentation to the Committee of two potential candidates for approval.

** From a long-list of 42 profiles, Russel Reynolds selected 16 executives based on key criteria (individuals with technology background, ideally in B2B, high volume transactions or travel & tourism industry) as well as reputation, track record, leadership and insights. Russell Reynolds conducted targeted interviews with 7 potential candidates and presented 4 candidates to Amadeus for interviews.*

After closing an interview phase between the two final candidates and different Committee members, the Nominations and Remuneration Committee submits the following proposal to the Board of Directors for endorsement and subsequent approval from the General Shareholders' Meeting:

- To appoint, as Independent Director, for a three years term, **Mr. Josép Piqué Camps**
- To appoint, as Independent Director, for a three years term, **Mr. William Connelly**

These appointments will cover the two new seats created by the increase in the number of Directors to be submitted to the General Shareholders' Meeting.

The aforementioned renewal and appointment proposals will be followed by a justification report from the Board of Directors in which the capability, experience and merits of the proposed Independent Directors for appointment and renewal are described.
